**Disclosure and Consent for Medical Micropigmentation Procedures**

I, \_\_\_\_\_, as a client have requested that you describe the procedure to be utilized so that I may make an informed decision whether or not to undergo the procedure.

You have described the recommended procedure to be used as Micro Pigment Implantation, the process of implanting micro insertions of pigment into the dermal layer of skin. Micro Pigment Implantation is a form of tattooing used for the purpose of permanent cosmetic makeup and skin imperfection camouflage.

I voluntarily request, the permanent make-up technician, Erin Meier, and such association and technical assistance, to perform on my body the following procedure: (**CIRCLE ONE**)

EYELINER

EYEBROWS

LIP LINER

FULL LIP COLOR

UPPER EYELINER ONLY

EYE LASH ENHANCEMENT

LOWER MUCOSAL EYELID

**Please Read and Check:**

\_\_\_\_\_ I hereby authorize to take photographs of the work performed both before and after treatment, and I further authorize the use of said photographs to be used for the purpose of advertising.

\_\_\_\_\_ I hereby authorize Erin Meier to take photographs of the work performed both before and after treatment to be maintained only in file.

\_\_\_\_\_ I have informed Erin Meier that I am in good health and I am not under the care of any physician.

\_\_\_\_\_ I am currently under the care of a physician and I am being treated for the following condition(s):

Physician's Name: \_\_\_\_\_

Physician's Specialty: \_\_\_\_\_

Address: \_\_\_\_\_

City, State, Zip: \_\_\_\_\_

Phone: \_\_\_\_\_

## **Please Read and Initial:**

- \_\_\_\_\_ I have been told that allergic reactions to pigment are very rare, however, they can and do occur and when they do occur they can be serious and especially difficult and very troublesome to treat.
- \_\_\_\_\_ Other risks involved with the procedure may include, but not limited to: infections, allergic and other reaction(s) to applied pigments, allergic and other reaction(s) to products applied during and after the procedure that are planned for me.
- \_\_\_\_\_ I have been told this procedure will involve pain, discomfort, and bruising.
- \_\_\_\_\_ I understand that the markings are permanent and there is a possibility of hyper pigmentation resulting from a procedure, especially in individuals prone to hyper pigmentation from a scar of other injury. There is a risk of infection following the procedure.
- \_\_\_\_\_ I understand that there is a possibility of migration of the pigment (ink) to skin around the procedure site.
- \_\_\_\_\_ I have been told that a follow up procedure may be required within 60 days of the initial treatment to be covered in the cost. After that a touch-up can still be performed for a fee of \$100. The color of the pigment may fade or even change colors.
- \_\_\_\_\_ I have been told there is a chance that I may experience a corneal abrasion from the eyeliner procedure.
- \_\_\_\_\_ I accept full responsibility for any and all, present and future, medical treatment(s) and expenses I may incur in the event I need to seek treatment(s) for any known or unknown reason associated with the procedure planned for me.
- \_\_\_\_\_ I have been given an opportunity to ask questions about the procedures and the procedure to be used and the risks and hazards involved and I believe that I have sufficient information to give the informed consent.
- \_\_\_\_\_ I have agreed that should I have a complaint of any kind, whatsoever, I shall immediately notify Erin Meier and I further agree that any controversy or claim arising out of or relating to this consent and/or any signed contract between myself and or the breach thereof, shall be settled by arbitration in the state of Oklahoma in accordance with the Rules on the American Arbitration Association and judgment of the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof.
- \_\_\_\_\_ I understand that if I have an infection, adverse reaction, or allergic reaction to the procedure, I must notify Erin Meier, the permanent make-up technician.
- \_\_\_\_\_ I certify this form has been fully explained to me and I have read it or it has been read to me. I understand its contents.
- \_\_\_\_\_ I have received a copy of the Post Procedure Instructions. It has been fully explained to me and I have read it or it has been read to me. I understand its contents.

**Please Read and Initial:**

\_\_\_\_\_ I understand this description of the procedure is not meant to scare or alarm me. It is simply an effort to make me better informed so that I may give or withhold my consent for this procedure.

\_\_\_\_\_ I am currently unaware of any reaction I may have to Bacitracin, Neosporin, Mycitracin, Bactroban or Vaseline.

\_\_\_\_\_ I understand that I must have a driver if I have taken pain medication, muscle relaxers, anti-depressants/anxiety medication, Benadryl or any other medication that could affect my driving ability.

\_\_\_\_\_ I understand there is a 48 hour cancellation notice required if I am unable to keep my appointment or I do not show for my appointment. Failure to do so will result in a \$50 fee.

\_\_\_\_\_ I have been told that there may be known and unknown hazards related to the performance of the procedure planned for me and I understand that no warranty or guarantees have been made to me as to the results.

\_\_\_\_\_ I acknowledge the manufacturer of the pigment to be applied requires spot testing and specifically disclaims any responsibility for any adverse reaction to applied pigments. I understand spot testing may identify individuals who develop an immediate reaction to pigment; however, spot testing does not identify individuals who may have a delayed allergic to pigment.

I agree **(CIRCLE ONE): RECEIVE/WAIVE** a spot test prior to application and I agree to release Erin Meier, assistants and pigment manufacturer(s) from any and all liability related to allergic reaction or any other reaction to applied pigments.
